Ph.D Qualifying Examination 2009-Registration Form

The Ph.D Qualifying Examination consists of a written examination in the students' major/concentration area. This examination is required of all predoctoral students with a Master's degree or equivalent in the spring semester of the first year. Students will be tested on graduate course materials as specified by the faculty in the chosen area. A student who fails the written examination will be permitted to retake the examination only once in the following academic year.

The Ph.D Qualifying Examination 2009 will be given in the following areas:

Communications and Signal Processing

Coordinator: Professor Hanoch Lev-Ari (levvari@ece.neu.edu). The take home problems will be available to students on Monday, March 2, 2009 from Faith Crisley, Graduate Coordinator, in 405 Dana Hall and is due back to Faith on Wednesday, March 11 by 5 p.m.

Control Systems and Signal Processing

Coordinator: Professor Hanoch Lev-Ari (levvari@ece.neu.edu). The take home problems will be available to students on Monday, March 2, 2009 from Faith Crisley, Graduate Coordinator, in 405 Dana Hall and is due back to Faith on Wednesday, March 11 by 5 p.m.

Computer Engineering

Coordinator: Professor Yong-Bin Kim (ybk@ece.neu.edu)
Written portion of take home exam will be available on Monday, March 2, 2009 in 405 Dana Hall and is due back on Monday, March 16, 2009 by 5 p.m. to Faith Crisley, 405 Dana Hall.

Microsystems, Materials, and Devices (formerly Circuits, Devices and Micro fabrication)

Coordinator: To Be Announced
Exam date will probably be between Monday, April 27, 2009 and Friday May 8, 2009. Watch the www.ece.neu.edu website and this form for updates. The format of the exam is changing this year.

Power Systems, Power Electronics and Motion Control

Coordinator: Professor Alex Stankovic (astanokov@ece.neu.edu)
Written Take-Home Exam will be available either the week of April 27, 2009 or the week of May 4, 2009 from Faith Crisley, 405 Dana Hall.

Electromagnetics, Plasma and Optics

Coordinator: Professor Edwin Marengo (emarengo@ece.neu.edu) Exam to be given on Monday, June 15, 2009 in 442 Dana Hall, 9 a.m. to 12 p.m.

Name _____

I.D. Number _____

Local Address _____

Phone (cell) _____ Phone (office) _____

Email used most frequently _____

Do you have an MSEE or MSECE degree? Yes ___ No___

Other Master's degree (list degree) _____ Yes___ No___

Concentration/Major Area: (please check one)

- Communications and Signal Processing _____
- Control Systems and Signal Processing _____
- Computer Engineering _____
- Microsystems, Materials and Devices _____
- Electromagnetics, Plasma and Optics _____
- Power Systems, Power Electronics and Motion Control _____

If the Ph.d Qualifying Examination was taken previously please list date taken _____

Name of Research Adviser _____

Current Student Status:
(please check two)

Full-time _____

Part-time _____

MSECE Program _____

Predoctoral Status _____

Please return this form to Electrical and Computer Engineering Department, Northeastern University, Attention: Faith Crisley, 440 Dana Research Building, Boston, MA 02115 or to office 405 Dana Hall or preferably via email f.crisley@neu.edu by February 28, 2009
